

See the claims concerning this device: this device uses lasers but combines the light beams of these lasers in an appropriate manner to produce the ultrahigh frequency (see also Specification).

Concerning the advantages and solved problems, see Specification, in particular page 3 at lines 4-7, page 22 at line 15 and page 23 at line 3.

CONCLUSION

Thank you for your courtesy in this matter. Please feel free to contact me at any time if further discussion would be helpful.
